

## GOODYEAR Specific FE 0W20

GOODYEAR SPECIFIC FE 0W-20 is a high-performance full synthetic motor oil, suitable for gasoline, LPG or diesel engines with or without turbo, where the above specifications are required. It helps to provide performance and wear protection under severe conditions. The state-of-the-art additive package helps to mitigate LSPI and keeps the engine clean from dirt, sludge, and deposits. The low viscosity fluidity make for a perfect cold start, fast response, and additional power from the engine.
