

## GOODYEAR SUPREME 10W-40

GOODYEAR SUPREME 10W-40 provides maximum protection for modern engine technologies, ensuring smooth operation even under the most severe driving conditions. The superior oxidation and thermal stability of GOODYEAR SUPREME 10W-40 prevent sludge build-up and protect critical engine components, while its friction-reducing properties improve fuel efficiency and reduce engine wear.

GOODYEAR SUPREME 10W-40 is ideal for vehicles requiring high-performance lubrication and is especially recommended for engines meeting the following specifications: API SP, API SN Plus, API SN, and lower-grade specifications.
